Brave heroes falling to arise no more
Kings and Queens may ever rule their fellow man

Still the bugels calling every man to war.
But pray they be united like our own free land.

CHORUS

For I know after the war is over and the

worlds at peace

Many a heart'll be aching

After The War Is Over. 8
after the war has ceased, many a home will be vacant, many a child be alone.

But I hope they'll all be happy in a place called Home sweet Home.
